The Misses Simpson are to be warmly congratulated on the success of their Play.—J.H.H.

A PIANO FOR THE RECTORY ROOM.

The purchase of a suitable instrument has long been delayed, but the Rector has at last heard of an instrument which would very much add to the harmony of the meetings held within the Rectory Room. The cost of the instrument, with carriage, will be about £19, towards which we have £5 kindly given by the Misses Simpson from last year's Play. May we appeal to our friends for the remaining £14? Donations will be thankfully received at the Rectory.

A NEW WINDOW IN THE CHURCH.

The Rector, Wardens, and Vestry have approved of the insertion of a stained-glass window in the middle window of the North Side of the Parish Church. The cost will be defrayed by the family of the late Mrs. Ascroft and the window will be to the Glory of God and to her memory. The subject is the "Presentation of our Lord in the Temple," from the design of Messrs. Shrigley & Hunt. The sincere thanks of the parish are due to the donors for their generous gift which will enrich the Church.
