S.P.G.

The cause of Foreign Missions will be pleaded on Sunday, Aug. 15th, by the Rev. H. R. Colton, M.A. He has been working in Antigua. We hope for increased contributions in view of the urgent need of the present time.

Y.M.C.A.

We want more helpers on Saturday, Aug. 14th, for the White Heather Day. Last year only half a dozen workers were available, and this meant that many districts had to be left unvisited by the collectors. The social work carried out by the Association is invaluable and deserves the support of everyone. Mr. R. Hayes has again kindly promised to supply the heather.

THE QUOTA.

The July collection for the Quota Fund amounted to a little over £6. This is rather less than usual. The next collection will be made on Sunday, Aug. 22nd.

IN MEMORIAM.

The passing of Mr. J. H. Wilson, after a long illness has brought sorrow to his many friends, his popularity not only in the village, but in the whole of the Lake District, was only the natural result of his fine character. On the death of his father he was called to take over the management of the firm, and in spite of bad health, he took up the position with that efficiency which was so characteristic of him. His courtesy and attention to detail were remarkable. He will be much missed in the young life of the village.

Mrs. Fleming, Broadgate House, having attained a ripe old age, passed away towards the end of the month. She was a strong Churchwoman and a regular worshipper at S. Oswald's. She made many friends among the visitors who frequently returned to her. She was a genial hostess and took great pains to make her guests happy and comfortable.

R.I.P.

THE HOLIDAYS.

It is gratifying to notice an increasing number of young people who are on holiday attending the Services on Sundays. We have noticed many parties of Scouts and Guides taking part this year. They are very welcome. If there should be any who are accustomed to attend Week-day Services we shall be glad to arrange for a Celebration of Holy Communion at 8 a.m. on any week day. Visitors are requested to intimate their desire to have such a Service to the Verger, or to leave word to that effect at the Rectory.
